

ESTEFANÍA LIZARDO

PROFESSIONAL EXPERIENCE

She has experience in company restructuring and the implementation of contractual and corporate schemes, providing legal support for commercial operations. Specializing in commercial, corporate, and civil aspects, she offers creative solutions and supports clients in negotiating and executing contracts.

Her work includes legal analysis in the stock market, banking, finance, and insurance, focusing on international clients seeking to reinsure risks in Venezuela. With a background in International Business, she provides insights into trade operations, logistics, business trends, sustainability, and compliance. She also assists clients with immigration matters, offering advice on visas and solving immigration issues both in Venezuela and abroad.

PUBLICATIONS

- (2022). El compliance como mecanismo de protección de la reputación de las transnacionales de alimentos. Caso Nestlé®, Siglo XXI. [Compliance as a mechanism to protect the reputation of food transnationals. Nestlé® case, 21st Century]. Graduate thesis. Universidad Metropolitana.
- (2022). ¿Por qué un escritorio jurídico en Venezuela se preocupa por la sostenibilidad?. [Why does a law firm in Venezuela care about sustainability?]. Lex Latin.
