

LORIANE DAMIAN

PROFESSIONAL EXPERIENCE

Her professional experience is based in the areas of environmental and sustainability law, international commercial law, corporate law and compliance. She provides legal advice on the development of activities and projects in all sectors and the legal assessment of the environmental impacts associated with their implementation.

She recently completed postgraduate studies in International Business Law and Environmental and Sustainability Law, which allows her to better understand the needs of our clients to advise them on energy transition projects, environmental compliance in international trade operations, sustainable financial instruments such as green bonds, and Environmental, Social and Governance (ESG) strategies.
